THIS IS NEBRASKA

Since the Nebraska soccer program's inaugural season in 1994, Coach John Walker has been on a mission to construct teams and develop players ready to compete for conference and national championships. In 22 seasons, Walker has developed a program that has competed among the elite in collegiate soccer.

In two decades, Nebraska has earned 298 wins and made 11 NCAA Tournament appearances, including eight trips to the NCAA Sweet 16 and a pair of Elite Eight berths. In that time, the Huskers also won a conference-best five Big 12 Tournament titles and had 70 student-athletes earn first-team All-Big 12 honors. The Huskers transitioned to the Big Ten Conference in 2011, adding 12 all-conference honors and claiming both the Big Ten regular-season and tournament titles in 2013. Nebraska's athletes consistently go on to find success at the next level of soccer as professional and national team players.

One of the reasons Nebraska has been able to develop a successful program is the level of dedication shown by the University. From its humble beginnings off campus at the Abbott Sports Complex, the soccer program now enjoys state-of-the-art facilities, including administrative offices, locker rooms and indoor training areas, located in the heart of campus. In 2016, the Huskers will play their second season at Barbara Hibner Stadium, which was part of a \$20.4 million project in conjunction with the Nebraska Soccer and Tennis Complex. The new soccer facilities include one outdoor, lighted, full-sized competition field with seating for approximately 2,500 spectators. With a wealth of support and a history of success, Nebraska soccer expects to contend for more championships in the years to come.

Above: The Nebraska soccer program has been built on the strong support of top coaches and players, including (from left): Coach John Walker, who has guided NU to a 298-140-29 record in the past 22 years; Jaylyn Odermann, who recorded a team-leading 12 points (four goals, four assists) as a senior in 2015 en route to second-team All-Big Ten honors; Caroline Flynn, who led the team in goals scored last season with five; and Sydney Miramontez, who led the team in assists with five.

Right: The Nebraska soccer program has 10 conference titles in team history, including the 2013 Big Ten Championship (regular-season and tournament titles). Before joining the Big Ten, the Huskers won eight Big 12 championships, including a league-leading five conference tournament titles. NU's five Big 12 Tournament titles came in 1996, 1998, 1999, 2000 and 2002. The Huskers also claimed regular-season crowns in 1996, 1999 and 2000.

International Huskers

Players have consistently risen from Nebraska to the next level of the sport, including World Cup and Olympic competition. Three former Huskers represented Canada at the 2008 Olympic Games, in the country's first-ever Olympic appearance, while Brittany Timko and Karina LeBlanc both represented Canada at the 2012 Games in London. Since the inaugural Women's World Cup in 1991, 11 former Nebraska soccer players have participated in 17 World Cup competitions. In 2003, seven former Huskers made up the 20-player Canadian roster that advanced to the semifinal match. Four former Huskers joined the Canadian squad for contests in the 2007 World Cup, two more Huskers competed in the 2011 World Cup and an additional pair made appearances in the 2015 World Cup. The 2015 World Cup included former Husker Ari Romero, who represented Mexico in the international contest.

Huskers in the Pros

With stellar collegiate careers behind them, several Huskers chose to continue their playing days at the professional level. Eleven former Nebraska soccer players were drafted into the Women's United Soccer Association (WUSA), an eight-team league that ran from 2000 to 2003, while three former Huskers played in Women's Professional Soccer (WPS), a six-team league that started in the spring of 2009 and ended in May of 2012. NU is one of six schools to have at least two former players drafted in the WPS, and only seven programs had more players in the league. In April of 2013, the National Women's Soccer League (NWSL) began its inaugural season with eight teams and added a ninth in 2013. Former Husker Karina LeBlanc helped lead the Chicago Red Stars as one of the top goalkeepers in the NWSL before her retirement in 2015. Ari Romero and Jordan Jackson, who each contributed to Nebraska's 2013 Big Ten championship team, were drafted by the Houston Dash in 2013.

Soccer Facilities

The home of the Huskers, Barbara Hibner Stadium and Hibner Field, and its surrounding facilities provide NU players with every tool needed to be successful. The facility, which opened in 2015, is located just north of Nebraska's Innovation Campus and the Bob Devaney Sports Center.

Part of the \$20.4 million-dollar Nebraska Soccer and Tennis Complex and approved by the University of Nebraska Board of Regents in 2013, the facility features a championship field, stadium lights, stadium seating, a fun zone for kids and dazzling views of downtown Lincoln. Hibner Stadium seats up to 2,500 and has direct access to restrooms, concessions and other fan amenities.

When it's not gameday, the Huskers can be found in the Hawks Championship Center, which houses offices, locker rooms, meeting rooms and indoor practice facilities for the Nebraska soccer program. Nebraska is one of the few schools in the nation with all of its soccer facilities located on campus.

Below: Hibner Stadium's grandstand seats 1,800, with access to open chairback seating in the center. The overall stadium capacity is 2,500, which includes berm seating and standing room only from the elevated viewing deck. In 2015, Nebraska ranked 13th in the nation with an average home attendance of 1,381.

Barbara Hibner Stadium features a state-of-the-art locker room, which features hand-made wood units for each player. The lockers are customized with a name plate and photo of each player.

Players and coaches have ample space to view game or practice video, giving them a greater edge in preparing for competition.

CHAMPIONSHIP FACILITIES

From training facilities to competition venues, Nebraska's athletic facilities are second-to-none across the collegiate landscape. From Memorial Stadium to Pinnacle Bank Arena and the Bob Devaney Sports Center, Husker student-athletes have the benefits of training and competing in some of the nation's finest facilities. Fans around the country follow the Huskers with amazing passion across all sports. In 2015-16, Nebraska finished second in the nation in attendance across its seven primary team sports, attracting more than 1.3 million fans to its home stadiums and arenas. Overall, 10 of Nebraska's sports ranked among the top-15 nationally in attendance in 2015-16.

ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber and Soccer Athletic Trainer Lisa Loewenstein, the 2016-17 Nebraska athletic medicine staff consists of five doctors, 13 full-time athletic trainers, seven graduate assistant athletic trainers, a full-time in-house athletic psychologist and sports psychiatry consultants who work directly with student-athletes.

Nebraska's medical facilities have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, Haymarket Park, the Bob Devaney Sports Center, Pinnacle Bank Arena and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Nebraska uses advanced equipment to help athletes recondition after injury.

Nebraska's Athletic Medicine Center features a hydrotherapy area that includes a three-level laned pool. The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment.

The hot and cold plunge tanks in the Holthus Family Hydrotherapy area help the Huskers recover after workouts and injuries.

Nebraska's on-site medical services for student-athletes rank among the nation's best. Dr. Lonnie Albers, Head Athletic Trainer Jerry Weber (pictured) and the Athletic Medicine staff have their own X-ray equipment at Memorial Stadium.

HUSKER STUDENT-ATHLETES

Nebraska Athletics is one of the few self-sustaining athletic programs in the country. In 2015-16, Nebraska was one of only two collegiate programs in the nation to attract more than 1.3 million fans across its seven major team sports through the doors of its world-class facilities. This incredible interest and support enables Nebraska Athletics to invest in the student-athlete experience, as well as the overall game-day experience. Nebraska is a leader in providing all the resources and support necessary for student-athletes to become successful in Academics, Athletics and Life. Nebraska will continue to strategically plan for avenues to strengthen the resources to support more than 600 Husker student-athletes across 24 sports.

ACADEMIC EXPERIENCE

More than 600 student-athletes, including Amanda McClanahan, benefit not only from Nebraska's full cost of attendance scholarships and the MacBook Air program, but also the amazing facilities and staff support within the Dick and Peg Herman Family Student Life Complex. Nebraska leads the nation in CoSIDA Academic All-America and NCAA Today's Top Ten awards.

ATHLETIC EXPERIENCE

Nebraska's strength and conditioning has long been at the forefront of college athletics. Under the direction of Boyd Epley, Nebraska has a staff of 12 strength coaches, including soccer strength coach Lucas Novotny, who creates personalized strength and conditioning programs for Husker student-athletes.

LIFE SKILLS EXPERIENCE

The Husker Life Skills program allows student-athletes to continue their development and impact lives in the community. In 2015-16, Husker student-athletes volunteered at the Husker Heroes event at Memorial Stadium. Student-athletes completed more than 350 outreach activities while volunteering nearly 2,500 hours to impact approximately 25,000 people in Nebraska communities.

A LIFETIME EXPERIENCE

SPORTS NUTRITION LEWIS TRAINING TABLE

Husker student-athletes have ample places to dine, as the Lewis Training Table is open extended hours for meals, while the North Stadium and Hendricks Training Complexes have areas for supplements for recovery after workouts or for snacks throughout the day. Nebraska's three full-time sports dietitians work with the Lewis Training Table manager and executive chef to plan and prepare meals to help maximize performance for student-athletes. Nebraska's individual nutritional counseling focuses on performance nutrition strategies, hydration, quality food choices and proper supplementation to help student-athletes reach their full potential.

ATHLETIC MEDICINE: CARING FOR HUSKERS

Nebraska's Athletic Medicine facilities rank among the nation's best, while one of the most experienced medical staffs in the nation care for all Husker student-athletes. Nebraska's medical team consists of 13 full-time athletic trainers and seven graduate assistant trainers, led by Associate Athletic Director Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber and Soccer Athletic Trainer Lisa Loewenstein (kneeling right). A full staff of orthopaedists is also available to the Huskers, led by Dr. Richard Dugas. The Husker Athletic Medicine team also includes a full-time, in-house athletic psychologist, and sports psychiatry consultants who work directly with Husker student-athletes.

In August of 2014, the NCAA Division I Board of Directors restructured the way member institutions and conferences, including the Big Ten, govern themselves. Nebraska has a great history and tradition of providing unmatched benefits and support to student-athletes. However, this change in governance, and subsequent legislation, paved the way for Nebraska to enhance the benefits and experiences for student-athletes. A few examples of these enhanced benefits are:

- All scholarship student-athletes across all sports have their scholarship calculated based on the full cost of attendance.
- Each student-athlete is offered an Apple MacBook Air laptop computer to enhance their learning opportunities (pictured top left).
- Nebraska has increased resources and support in all academic and performance related areas including but not limited to Academic Services, Life Skills, Athletic Medicine, Athletic Training, Strength and Conditioning, Nebraska Athletic Performance Laboratory, Nutrition and Dining Services (Training Table) and Sports Analytics.
- Nebraska created the first-known Post-Eligibility Opportunity (PEO) program, where every student-athlete graduate who has exhausted their athletic eligibility has the opportunity to pursue (with Nebraska support) an internship, participate in a study abroad program or attend graduate school.

ACADEMIC SUCCESS

Nebraska increased its nation-leading total of CoSIDA Academic All-America awards to 325, adding five Huskers in 2015-16. Senior guard Shavon Shields (Olathe, Kan., Biological Sciences) earned his second consecutive first-team Academic All-America award in men's basketball before being named Nebraska's Male Student-Athlete of the Year. Shields (pictured right with Director of Athletics Shawn Eichorst) was also a member of the Allstate NABC Good Works Team for his outstanding community service. He was joined by Nebraska Female Student-Athlete-of-the-Year Mattie Fowler (Tucson, Ariz., Finance) as a first-team Academic All-American in 2015-16. Fowler (pictured below) was the President of the Nebraska Student-Athlete Advisory Board in 2014-15. She and Shields were Nebraska's Big Ten Medal of Honor winners in 2015-16.

The Nebraska men's track and field team continued its extraordinary run of CoSIDA Academic All-America success with three-time first-team honoree Levi Gipson (Lincoln, Neb., Nutrition, Exercise and Health Science) and fellow first-team award winner Cody Rush (Grand Island, Neb., Nutrition Science). Rush, who earned second-team CoSIDA Academic All-America accolades in 2014, joined baseball outfielder Ryan Boldt (Red Wing, Minn., Nutrition Science) as a two-time honoree. Boldt also earned third-team recognition in 2015.

Graduation is the ultimate achievement, and 109 Husker student-athletes earned undergraduate and graduate degrees in three commencement exercises at Pinnacle Bank Arena in 2015-16.

14

A total of 109 Nebraska student-athletes earned their degrees in 2015-16, including 62 in May 2016, 39 in December 2015 and eight in August 2015. Samantha Areman (above left) earned her bachelor's degree in marketing in December 2015 after playing for Nebraska from 2011 to 2014. Ari Romero (above right) earned a degree in business administration after playing for the Huskers from 2010 to 2013.

Eight Huskers earned Outstanding Scholar Awards in 2015-16. The seniors with 3.900 GPAs or better were Melanie Blum (Track and Field), Michaela Cunningham (Swimming and Diving), Levi Gipson (Track and Field), Lane Hovey (Football), Ryan Irick (Men's Gymnastics), Katie Kraeutner (Soccer, pictured above), Ethan Lottman (Men's Gymnastics) and Cody Rush (Track and Field).

Nebraska student-athletes regularly earn prestigious postgraduate scholarships from the Big Ten and NCAA. That tradition continued in 2015-16, as two-time CoSIDA Academic All-American Cody Rush earned a \$10,000 Wayne Duke Postgraduate Scholarship from the Big Ten before claiming an NCAA Postgraduate Scholarship worth \$7,500. Rush was also an 11-time All-American on the track.

In 2015-16, 109 Huskers earned their college degrees including senior track and field standout Levi Gipson. Gipson became just the second three-time first-team CoSIDA Academic All-American across all sports at Nebraska, while adding a prestigious Big Ten Postgraduate Scholarship worth \$7,500. Gipson was also a seven-time All-American on the track.

Junior outfielder Ryan Boldt earned his second CoSIDA Academic All-America award in 2016, after helping the Nebraska baseball team to the NCAA Tournament. Boldt, who was a member of the Golden Spikes Award Midseason Watch List, was a second-round pick of the Tampa Bay Rays in the 2016 Major League Baseball Draft.

THE ACADEMIC EXPERIENCE

The athletic academic unit, located in the Dick and Peg Herman Family Student Life Complex, provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is composed of 14 full-time staff members and is certified by the National Association of Academic Advisors for Athletics (N4A) as meeting the standards established by the N4A.

ACADEMIC COUNSELING

Seven academic counselors, three learning specialists and two assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation.

TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support from approximately 120 tutors on staff is available from day one up to college graduation in all subject areas. The tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

STUDY HALL

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING

Academic support staff serve as mentors to all incoming student-athletes and a select group of returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information, and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION

Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES

The Herman Student Life Complex has two computer labs available for student-athletes. The Scott Technology Center features two tech tables for use on group computer projects and group study sessions. Additionally, each student-athlete is provided a laptop for use throughout their academic career at Nebraska.

The complex also features tributes to each of Nebraska's nation-leading 325 CoSIDA Academic All-Americans and 17 NCAA Today's Top Ten Award winners.

LIFE SKILLS

Regarded as the premier and most comprehensive Life Skills program in college athletics, the Husker program is committed to providing proactive education, resources and support through college and beyond to promote total person development and preparation for life after sports. Led by Senior Associate Athletic Director Keith Zimmer, five full-time staff members coordinate community involvement, career planning, effective communication strategies and much more to benefit Husker student-athletes.

In May of 2016, 20 Husker student-athletes, a Nebraska letterwinner alum and four staff members participated in a service trip abroad to the Dominican Republic. The Huskers spent time with members of the community of Las Pajas to create a local sports court and create a mural at a community center. Caroline Flynn and Emily Wood (both pictured below) were among the athletes to make the trip.

Student-Athlete Advisory Committee President (2015-16) Caroline Flynn was among the speakers at A Night at the Lied, an event which recognizes Husker athletes' accomplishments athletically and academically during the year. Several Huskers from the 2015 team (pictured below) pose during A Night at the Lied.

Proactive Education

The Life Skills team organizes several orientations aimed at acclimating student-athletes to college life. Additionally, all incoming student-athletes attend the fall semester Husker Life Seminar. This interactive class promotes responsible decision-making, personal brand, financial literacy, leadership, involvement and service.

Individual Meetings

Every Nebraska student-athlete is assigned a Life Skills Coordinator who will arrange multiple individual meetings throughout the academic year aimed at enhancing personal and career development. The meetings help each student-athlete identify a career focus and implement a plan to increase career marketability.

Career Commitment

Annually, Nebraska Life Skills organizes a Student-Athlete Career, Networking Night and other career events aimed at connecting Huskers with companies desiring competitive, hard-working, accountable candidates. Athlete Network and Husker Hire Link provide opportunities to explore career opportunities across the country.

Community Outreach

Nebraska student-athletes readily accept the role-model challenge, collectively giving more than 2,500 hours annually to impact thousands across the state of Nebraska. Outreach events include but are not limited to hospital visits, mentoring, school assemblies, statewide rallies (including the Sportsmanship 4 Life Pep Rally, pictured opposite page, bottom left), Make-A-Wish, NFL Play 60 and Husker Heroes.

Leadership

Nebraska Life Skills provides student-athletes with countless opportunities to enhance leadership skills while distinguishing themselves from the competition. Student-athletes can be members of the Student-Athlete Advisory Committee, Uplifting Athletes Chapter or Husker Distinction Council. UNL offers more than 600 recognized student organizations allowing athletes to collaborate with other campus leaders for common goals. Nebraska Life Skills funds and coordinates an annual one-week service abroad trip that allows 20 student-athletes to work together toward a common goal while enriching cultural competencies.

RECOGNITION

In 2015-16, a record 65 Husker Football student-athletes were named to both the Tom Osborne and Brook Berringer Citizenship teams for completing a minimum of six service projects in the calendar year. A host of other recognition opportunities at the institutional, Big Ten and NCAA levels that all reflect the high ideals, character and servant leadership nurtured through community involvement also are available.

POST-ELIGIBILITY OPPORTUNITIES

Effective December 2015 and beyond, student-athletes who letter and graduate will have a three-year window to benefit from one of three post-eligibility opportunities each valued at \$7,500. Upon completion of required seminars, graduates can either study abroad, complete an internship or begin graduate school within the University of Nebraska system.

Diversity and Inclusion

The Life Skills program also is responsible for all Diversity and Inclusion initiatives for Husker Athletics. The first Diversity and Inclusion Summit occurred in January of 2016 and reached all student-athletes and staff members with a message of acceptance and unity.

NATIONAL POWERS

The Nebraska volleyball team captured its fourth NCAA title with a win over Texas in the championship match at the CenturyLink Center in Omaha on Dec. 19, 2015. Five Husker volleyball players, including NCAA Tournament Most Outstanding Player Mikaela Foecke, earned All-America honors in 2015. Volleyball's championship was the first of seven top-10 NCAA team finishes for Husker programs in 2015-16.

Ryan Boldt helped the Huskers advance to the 2016 NCAA Tournament. The two-time CoSIDA Academic All-American was chosen in the second round of the 2016 MLB Draft by the Tampa Bay Rays.

Tierra Williams earned a trio of All-America awards in 2016. She finished fifth in the triple jump at the NCAA Indoor and Outdoor Championships. She also swept the Big Ten indoor and outdoor titles in the triple and long jumps.

Nick Percy captured the 2016 NCAA discus crown. The two-time All-American from Ventnor, England, also won the Big Ten discus title to help the Husker men sweep the Big Ten indoor and outdoor championships.

MJ Knighten claimed first-team All-America honors at third base while helping the Nebraska softball team advance to the 2016 NCAA Regional final. Knighten hit .376 with 21 homers and 60 RBIs in 55 games.

The Nebraska men's track and field team swept the Big Ten indoor and outdoor titles, giving the Big Red their first sweep since 2004. A total of 19 Huskers combined for 24 All-America awards in men's and women's track and field in 2016.

TJ Dudley (184 pounds) took second at the 2016 NCAA Wrestling Championships. NU's Male Athlete of the Year, Dudley helped the Huskers to eighth place for their 20th top-10 team finish in history.

Kadie Rolfzen captured first-team All-America honors as an outside hitter while leading the Nebraska volleyball team to the 2015 NCAA title. Rolfzen, a three-time All-American, was Nebraska's Female Athlete of the Year.

Shavon Shields earned second-team All-Big Ten honors after averaging 16.8 points and 5.1 rebounds in 2015-16. Nebraska's Male Student-Athlete of the Year, Shields was a two-time first-team CoSIDA Academic All-American.

A six-time All-American and two-time Big Ten champion for the Nebraska women's gymnastics team in her career, Hollie Blanske took third on vault at the 2016 NCAA Championships to help the Huskers finish eighth.

NATION'S BEST FANS

Nebraska was the only NCAA Division I program to rank in the top 15 nationally in attendance in football and men's basketball in 2015-16. In fact, Nebraska ranked in the top 15 in attendance across 10 sports and drew well over 1.3 million fans in 2015-16.

JOHN WALKER

HEAD COACH

23RD SEASON

QUEEN'S UNIVERSITY (1987)

CAREER/NEBRASKA RECORD: 298-140-29 (.669)

John's Journey

Coach John Walker came to Lincoln in April 1994 and 22 seasons later, he has built a tradition-rich program at Nebraska that includes 11 NCAA Tournament appearances, two trips to the Elite Eight, six trips to the Sweet 16 and 10 conference championships, including a pair of Big Ten titles in 2013.

NU finished the 2013 campaign with its highest win total since 2000 with a 19-4-1 record. The Huskers were led by seniors Jordan Jackson, Ari Romero, Emma Stevens, Kylie Greischar, Stacy Bartels and Maritza Hayes along with freshman sensation Jaycie Johnson. Nebraska claimed both the Big Ten Conference regular-season and tournament titles. The Huskers snapped Penn State's 15-year reign atop the Big Ten to win the regular-season crown and put NU soccer back on the national radar.

The Big Red were relentless in the conference, going 10-1 with a 5-0 record on the road during Big Ten play during 2013.

The Huskers advanced to the second round of the NCAA Tournament, hosting each of the first two rounds at the Nebraska Soccer Field. Walker's squad ended the year No. 4 in the RPI ranking and No. 13 in the NSCAA poll.

In 1994, Nebraska became the first Big Eight school to add women's soccer as a varsity sport, and Walker was optimistic about the future of soccer in the Cornhusker state because of the University's commitment to building a winning program. That commitment has remained strong throughout the program's history, and in 2005 the Huskers moved into impressive facilities on the Nebraska campus. In August 2015, the Huskers moved into the new Barbara Hibner Soccer Stadium and hosted 12,427 fans in its first year, the second-most in program history.

Walker's goal when he started at NU was to have the Huskers in their first NCAA Tournament by the 1998 season. Walker not only achieved that goal, he shattered his own timeline as NU reached the postseason in 1996, before earning seven straight top-15 national finishes.

In 22 years at the helm for the Huskers, Walker has produced the 32nd-best career winning percentage among active NCAA Division I women's soccer coaches at .669 (298-140-29). Walker is the only head coach to produce more than 100 wins in fewer than eight seasons and notched his 200th career victory in the 2005 NCAA Tournament.

Under Walker, the Huskers have made eight NCAA Sweet 16 appearances, including two trips to the Elite Eight, and won three Big 12 regular-season crowns and five Big 12 Tournament titles. NU swept both Big 12 Conference titles in 1996, 1999 and 2000.

In 1999, Nebraska enjoyed its best season in the program's 22-year history, running to a 22-1-2 final record, a Big 12 regular-season title and a

Big 12 Tournament crown. The Huskers missed their first trip to the NCAA Women's College Cup (semifinals) by the narrowest of margins, as Notre Dame advanced on sudden death penalty kicks, 4-3, after one of the greatest matches in NCAA Tournament history.

Walker and the Huskers also made Nebraska women's soccer one of the hottest tickets in the nation. In 1999, the Huskers set a school single-season record and ranked among the top five teams in the nation, averaging 1,529 fans per game, including a then school-record attendance of 3,702 fans in the NCAA quarterfinals against Notre Dame.

In 2002, NU rewrote the single-game attendance record, when 4,830 fans attended the Nebraska vs. North Carolina contest to open the season. In 2004, more than 10,000 fans saw the Huskers play in their final season at the Abbott Sports Complex, including 3,620 in the home opener against the Tar Heels. In 2005, Walker and the Huskers moved on campus for the first time in school history, allowing a more convenient location for players and fans. The Huskers again hosted the Tar Heels to open the 2011 season and a facility-record 2,319 fans came out for the opener.

With a move to the new 2,500-capacity Hibner Stadium in 2015, the Huskers drew 12,427 fans in nine games. NU's average of 1,381 fans per game ranked 13th nationally.

With a proven system, an innovative coaching philosophy, a well-respected program and an ability to recruit some of the nation's most talented players, Walker has the Huskers focused on contending for conference and national championships on an annual basis.

In 1998, Nebraska overcame the loss of five senior starters, including All-Americans Kari Uppinghouse and Rebecca Hornbacher, to finish with a 17-4-1 record and claim a second Big 12 Conference Tournament title. The Huskers advanced to the NCAA Sweet 16 and finished with a No. 10 national ranking.

Nebraska's 1998 success followed on the heels of an 18-4-0 season in which the

Huskers advanced to the Sweet 16 in the NCAA Tournament before losing at Notre Dame. The Huskers ended the 1997 season ranked No. 7 in the NSCAA Poll.

Building from the Beginning

Walker and the Huskers built their success on a breakthrough season in 1996.

Not only did Nebraska earn its first trip to the NCAA Tournament, the Huskers placed themselves among the nation's elite by winning two tournament games and advancing to the NCAA quarterfinals.

Along the way, Walker established himself as one of the finest coaches in America, earning NSCAA/Umbro National Coach-of-the-Year, NSCAA/Umbro Central Region Coach-of-the-Year and Big 12 Conference Coach-of-the-Year recognition.

Walker led the Huskers to a perfect regular season with a 19-0 record and the first regular-season Big 12 title. Nebraska extended its winning streak to 21 games with two more wins at the Big 12 Conference Soccer Championships in St. Louis to capture a second conference crown.

The Huskers entered the NCAA Tournament with the nation's longest winning streak as the only unbeaten and untied team in the country.

But Nebraska's perfect ride through the 1996 regular season did more than just put wins in the record books, it put fans in the stands, establishing a devoted following of Husker faithful.

Nebraska finished the season with the sixth-highest average attendance in the nation, and based on its unblemished record and outstanding fan support, earned a home bid in the first round of the NCAA Tournament.

After a perfect regular season, Walker and the Huskers were not satisfied with just making it to the NCAA Tournament. They set their sights on a trip to soccer's semifinals in Santa Clara, Calif.

Nebraska proved it was a contender with a 3-2 overtime win over Minnesota in the opening round in front of a then-school-record crowd of

1,544. The win over the Golden Gophers set up a second-round rematch with Duke at the Abbott Sports Complex.

The Huskers had come from behind to defeat the then-No. 6 Blue Devils, 3-1, in Durham, N.C., on Sept. 8, for Nebraska's first-ever win over a ranked opponent. Although Duke came to Lincoln with a rich soccer tradition and plenty of NCAA Tournament experience, the Huskers dominated the Blue Devils from start to finish in a 3-0 win.

With the victory, the Huskers earned a trip to Oregon to challenge perennial power Portland. Although the Huskers battled until the end, they could not manage a goal, losing 1-0 to the Pilots. The Huskers finished the 1996 season with a 23-1-0 record and a final No. 6 national ranking.

Success Beyond Nebraska

Walker's Nebraska program has also proven that it can produce All-America players. In just 22 years, 12 Huskers have earned a total of 18 NSCAA All-America certificates from the National Soccer Coaches Association of America and five Huskers have captured freshman All-America accolades under Walker.

Walker also has helped Husker players compete at the international level. Over the past several seasons, Nebraska has boasted 26 players with national team experience, including Jaycie Johnson and Jordan Jackson (USA), Ari Romero (Mexico) and Katie Kraeutner (Canada).

Former NU athletes have seen success at the professional level as well. Seven Huskers were selected in the inaugural WUSA Draft in December of 2000. Nebraska's total number of athletes selected was second behind North Carolina. Four of the first 24 players chosen in the draft were former Huskers. In 2002, Nebraska saw its highest pick ever when Breanna Boyd was drafted eighth in the first round by the defending champion Carolina Courage. Christine Latham also became an instant starter for the San Diego Spirit when she was picked up as a discovery player for the WUSA team, after bypassing the entire draft process. Walker boasted five former athletes on 2003 WUSA rosters, three of whom were named to All-Star rosters, which ranked seventh among all Division I programs. In January 2010, former Husker Carly Peetz was selected in the sixth round of the 2010 Women's Professional Soccer Draft by the Boston Breakers. Following the 2013 season, Jordan Jackson and Ari Romero were drafted by the NWSL's Houston Dash.

As a member of the Big 12 Conference, Walker's teams won five of the 15 Big 12 Tournament championships with titles in 1996, 1998, 1999, 2000 and 2002. The Huskers also brought home Big 12 regular-season crowns in 1996, 1999 and 2000, and in the 15-year history of the conference, Nebraska posted a league-best 106-47-15 regular-season mark and a .631 winning percentage. Along with the team accomplishments, the Huskers were rewarded with 70 individual regular-season all-conference selections and 33 All-Big 12 Tournament awards. Former Husker Christine Latham was also the first league player to be named Big 12 Player of the Year in back-to-back seasons (2000, 2001), a feat repeated by Brittany Timko in 2004 and 2005. Timko went on to top that record the following season, earning co-Player-of-the-Year honors with Oklahoma State's Yolanda Odenyo, to become the first

player selected as player of the year three times. Morgan Marlborough claimed a spot in the record books in 2009, as she was named Big 12 Offensive Player and Rookie of the Year, just the third freshman to win a player-of-the-year award in conference history. The Lee's Summit, Mo., native earned Big 12 Offensive Player-of-the-Year honors again in 2010.

Nebraska's fast track to national prominence in soccer was aided by NU's decision to become the first school in the Big Eight Conference with a women's soccer program in 1994. Although Nebraska was ahead of other Big Eight schools, Walker started the 1994 season behind the rest of the nation in recruiting because of his late hiring.

However, in his first season as the Huskers' mentor, Walker managed to put together a collection of scholarship players and walk-ons who recorded a surprising 14-4 mark and earned credibility around the nation with a successful inaugural campaign.

Walker and his staff followed their initial on-field success by compiling an excellent incoming class that included transfers Kari Uppinghouse, who became Nebraska's first first-team All-American in 1996, and third-team All-America goalkeeper Rebecca Hornbacher.

The Huskers also implemented a year-round approach to training and conditioning. This approach included a strong spring schedule, a tradition that has continued at Nebraska. In 2006, the Huskers traveled abroad to England and Scotland to face a multitude of international competition and then returned to Europe in the summer of 2011. The Huskers ventured to Canada in 2015 to play in international exhibitions while supporting former Huskers Karina LeBlanc, Selenia Iacchelli and Ari

Romero in the FIFA Women's World Cup.

While Walker built the Huskers, he continued to expand his coaching experience as a staff coach for the Canadian National Team from 1995 to 2008, working with the Senior National Team, U-20, U-17 and U-16 National Teams during that time. During the summer of 1999, Walker was an assistant coach for Canada's Women's World Cup team. He also served as an assistant coach for the 2008 U-20 Women's World Cup in Chile.

Walker came to Nebraska from Queen's University in Kingston, Ontario, following achievements at the collegiate, national and international levels.

Walker was named national staff coach for the Canadian Soccer Association in 1992, and the following year he was appointed an assistant coach for the Canadian World University Games team. Walker holds a Canadian "A" coaching license (highest level), a Level V certification and a USSF "A" license. Walker was a national coaching instructor for the Canadian Soccer Association and served as director of high performance for Ontario, where he supervised coaches and players at Ontario's National and Provincial Training Center.

Walker was a standout sweeper for Queen's University from 1982 to 1985 and received bachelor's degrees in physical education and physical therapy from Queen's in 1987. He earned a master's degree in coaching science from Miami of Ohio in 1988. He also is a graduate of the Canadian National Coaching Institute.

The Kingston, Ontario, native is married to Mary Holmes and the couple has one daughter, Ally, and four sons, Declan, Cameron, Keegan and Liam.

MARTY EVERDING

ASSISTANT COACH

20TH SEASON

QUEEN'S UNIVERSITY (1989)

Marty Everding returned to the Huskers as an interim assistant coach for the 2010 season and then moved to a permanent assistant in 2011 after spending 13 years with Nebraska from 1994 to 2006. In his previous stint with the program, Everding played a crucial role in the ascension of Nebraska's program to national prominence. He enters his 20th season overall with the Huskers in 2016.

As the Huskers' goalkeeping coach, Everding developed two of the best goalkeepers in Big 12 Conference history. In 2000, Karina LeBlanc led the Big 12 and ranked second nationally with a 0.40 goals-against average.

LeBlanc went on to start in goal for the Canadian National Team and the WUSA's Boston Breakers, and followed in the footsteps of All-American Rebecca Hornbacher, who started in goal for the Huskers in 1996 and 1997. Hornbacher also played for Boston in its inaugural WUSA season, while continuing her career as a collegiate goalkeeping coach. LeBlanc also made appearances in the FIFA Women's World Cup in 1999, 2003, 2007, 2011 and 2015.

Everding helped transform former Husker Erin Miller from a defender to an all-conference

goalkeeper. In her two seasons in the net, Miller recorded 239 saves, 21 shutouts and a 0.98 goals-against-average.

After proving he could do it once, Everding took on the challenge of transforming Brooke Bredenberg from a midfielder to a goalkeeper. Bredenberg had a solid 2003 spring season in goal under Everding's tutelage, not conceding a goal to an amateur team through five contests, including 2003 national runner-up Santa Clara. Bredenberg, who is now the head coach at Lincoln North Star High School, went on to post a 1.39 goals-against average in 2003 before moving back to midfielder.

Katie Wright stepped in and started both of Nebraska's NCAA Tournament games and recorded 1.5 shutouts for the season. Wright then played every minute of the 2004 season, allowing just 29 goals in 23 games for a goals-against average of 1.25. Wright also stopped 108 shots, becoming just the second player in school history to post 100 saves in a season.

In 2005, Everding helped true freshman Jamie Klages start 18 games and compile a 1.19 goals-against average while stopping 88 shots and posting

six shutouts. Klages was invited to train with the U.S. Under-21 National team.

From 2011 to 2013, Everding developed three-year starter Emma Stevens into Nebraska's all-time saves leader (278). In her final season with the Huskers, Stevens recorded 94 saves on NU's Big Ten regular-season and tournament title team.

Everding was a player at Queen's from 1981 to 1983 and 1986 to 1988. He was an assistant coach at Queen's from 1989 to 1990, before joining Walker's Nebraska staff.

Everding graduated from the Canadian National Coaching Institute and holds a Canadian Level IV coaching license as well as a USSF "B" license.

A native of Kingston, Ontario, Everding graduated from Queen's in 1989 with a bachelor's degree in drama and education. Between coaching stints, Everding worked as a secondary school teacher.

Everding and his wife, Sarah, have been married for 26 years, and have three daughters, Talia, Nicki and Mia. Talia graduated from the University of Nebraska in May. Nicki and Mia are both attending the University of Nebraska.

2ND SEASON

VICTORIA, B.C.

Ian Bridge begins his second season as an assistant coach for the Nebraska soccer team in 2016. In his first season at Nebraska, Bridge helped the Huskers to an 8-7-2 record overall, which included a 4-0 start and two wins over top-25 teams.

Before Nebraska, Bridge spent two years as an assistant coach for the University of Victoria men's soccer team. Bridge helped the Vikes to a 10-3-3 overall record for the 2014 season, including a trip to the men's Canada West Final Four.

A native of Victoria, B.C., Bridge stacks up an impressive list of coaching experience, acting as the head coach for the University of Victoria women's soccer team for 11 seasons from 1990 to 2001. During his time at Victoria, Bridge developed the program from club to full varsity status and a perennial conference leader. In 1998 and 2000, Victoria captured its first two Canada West Conference titles in the program's history. The team added silver and bronze medals at the CIS National Championships those same two years.

Bridge served as an assistant coach for the Canadian Women's National Team from 1997 to 2009. During that time, Canada qualified for the Women's World Cup in 1999, 2003 and 2007, while adding an appearance in the 2008 Olympics. At the 2003 Women's World Cup, Canada finished fourth, marking its best showing at a World Cup.

He was the head coach for the Canada U-19/U-20 women's team from 2001 to 2008, leading the team to a 1-0 overtime loss to USA in the U-19 World Cup final in 2002. He helped lead Canada to four consecutive U-20 FIFA World Cup appearances in 2002, 2004, 2006 and 2008 before stepping down in 2009. Bridge also served as the head coach of the women's U-17 team (2009-2010).

From 2010 to 2012, Bridge was the head coach of the Victoria Highlanders PDL men's team and helped the Highlanders earn a berth into the 2011 SW playoffs.

Before entering the coaching scene, Bridge enjoyed over a decade-long professional soccer

career from 1979 to 1991. Bridge began as a defender in the North American Soccer League (NASL) with the Seattle Sounders (1979-83) before a season with the Vancouver Whitecaps in 1984. He played in 124 games in six seasons with the NASL and recorded 13 career goals before traveling to Switzerland to play for the FC La Chaux-de-Fonds from 1985 to 1990. In his final season with the Swiss club, Bridge served as the player-coach.

Bridge returned to North America to play in the Canadian Soccer League, first with the Victoria Vistas in 1990. In his final season before his professional retirement in 1991, Bridge competed for the Kitchener Kickers and the North York Rockets that same year. Throughout his professional career, Bridge appeared 33 times for the Canadian national team, scoring six goals. He played every game for Canada in the 1984 Los Angeles Olympics, and the 1986 FIFA World Cup in Mexico. Bridge was inducted into the Victoria Sports Hall of Fame and the Canadian Soccer Hall of Fame in 2003.

Shawn Eichorst was recruited and hired by the University of Nebraska in 2012 and quickly displayed an incredible passion for the University and for its student-athletes as well as the State of Nebraska. As the leader of a tradition-rich athletic program with 24 intercollegiate teams, 600-plus student-athletes and more than 325 full-time employees, Eichorst has relied on a strong value system and a student-centered approach to lead the department. Nebraska's primary mission is to provide student-athletes with the resources and support they need to be successful in academics, athletics and life. The health, safety and welfare of student-athletes are priority one and the essence of every decision made at Nebraska. Since Eichorst arrived in Lincoln, resources and services in every student-athlete support unit have been reviewed, improved and enhanced, including academics, athletic medicine, life skills, nutrition, sports psychology, strength and conditioning and performance research (i.e. Nebraska Athletic Performance Laboratory (NAPL) and the Center for Brain, Biology and Behavior (CB3)).

Eichorst has continued to move Nebraska forward aggressively with several new initiatives to enhance the student-athlete experience. Beginning in the summer of 2015, Nebraska became the first athletic department in the country to offer laptop computers to every student-athlete and created a data analytics department. Husker student-athletes in all sports now receive four-year, full cost of attendance-based scholarships. Nebraska was also the first-known department of athletics to create a post-eligibility opportunity (PEO) program, where every Husker letterwinner who graduates and has exhausted his or her eligibility has an opportunity to pursue either an internship, study abroad or graduate school program valued at \$7,500. Nebraska was also one of the first institutions to create a spring service abroad trip, taking a team of student-athletes and staff to Guatemala in 2015 and to the Dominican Republic in 2016.

Eichorst is in high demand and has made more than 500 public appearances around the state and country and his monthly radio show and "Connecting on Campus" online column provide opportunities to connect and share the incredible activities, initiatives and accomplishments happening at the greater University and in the department. As a member of the Chancellor's Senior Administrative Team, Eichorst maintains a strong connection and collaboration between the University and athletics.

A highly respected national leader, Eichorst was appointed in 2015 to the Division I Football Oversight Committee. Most recently, Eichorst was named co-chair of the NCAA Division I Football Recruiting ad hoc working group. He also serves on the Big Ten Conference Program and Budget Review Committee. Eichorst was the first Director of Athletics from any conference to visit the Big Ten Conference-based Academic Alliance (formerly known as the Committee on Institutional Cooperation) at its Champaign, Ill., headquarters. The Big Ten Academic Alliance is a highly successful academic-based consortium of 15 schools, including all 14 in the Big Ten Conference. Nebraska is leading the Big Ten

and the Big Ten Academic Alliance in several areas, including Digital Humanities and head injury research.

Under Eichorst, Nebraska extended its nation-leading total of CoSIDA Academic All-Americans to 325 and its nation-leading total of NCAA Top Ten Award winners to 17. More than 700 awards were presented at the 26th Annual Student-Athlete Awards Show—A Night at the Lied. In 2015-16, 109 student-athletes earned undergraduate or graduate degrees and the Big Ten Conference honored 209 Husker student-athletes with Academic All-Big Ten awards. For the first time in school history, all Nebraska teams had an NCAA Academic Progress Rate (APR) of 960 or higher and the overall Graduation Success Rate (GSR) of 86 percent is the highest in program history.

In addition, seven Husker teams (women's basketball, golf, gymnastics, softball, tennis and volleyball and men's tennis) had a GSR of 100 percent as reported in the fall of 2015.

During Eichorst's tenure, Nebraska has won three NCAA team Championships, increasing its total to 27. In 2012-13 and in 2014-15, the Nebraska women's bowling team earned the program's fourth and fifth NCAA titles, while the Husker volleyball team won the 2015 NCAA Championship, the program's fourth national title.

In 2016, the Husker men's track and field team swept the Big Ten Indoor and Outdoor Championships and 14 Nebraska teams competed in NCAA postseason action, including bowling, football, volleyball, women's swimming and diving, wrestling, softball, baseball, men's and women's gymnastics, rifle, and men's and women's indoor and outdoor track and field. In 2015-16, Nebraska produced 41 All-Americans who won 49 national awards, including 21 first-team honorees.

In 2013-14, Nebraska became one of only two NCAA institutions — and the first Big Ten program in history — to qualify for a football bowl game, and advance to NCAA postseason in the major team sports of volleyball, soccer, men's and women's basketball, baseball and softball. Additionally, Nebraska was the only institution to win a postseason game in six of those seven sports.

Nebraska's fan support continues to be unparalleled in college athletics. In 2015-16, top 15 national rankings for average attendance were reached across 10 sports—football, volleyball, men's and women's basketball, wrestling, soccer, softball, baseball and men's and women's gymnastics. Nebraska is the only school in the country to rank among the top 15 nationally in both football and men's basketball attendance and in volleyball and women's basketball. A tribute to loyal Husker fans, two sports lead the nation with consecutive home sellout streaks. Football has 347 consecutive sellouts and volleyball has 204 consecutive regular-season sellouts.

Under Eichorst's leadership, Nebraska continues to focus on improving its facilities and the game-day experience at all athletic venues. In August of 2015, Hibner Stadium and Barbara Hibner Field for soccer and the Sid and Hazel Dillon Tennis Center were completed. A new center-hung video board and sound system was installed in the Devaney Center in 2015 to improve the game-day experience for volleyball, wrestling and men's and women's gymnastics. In 2014, the largest wireless network system at a college football stadium in history was installed in Memorial Stadium, along with a state-of-the-art sound system. In the summer of 2013, Memorial Stadium expansion added the innovative NAPL inside East Stadium next to the Center for Brain, Biology and Behavior (CB3). That same year, Nebraska's men's and women's basketball teams became the primary tenants at Pinnacle Bank Arena, and the renovated Devaney Center became the home for Husker volleyball, wrestling and the men's and women's gymnastics programs.

Eichorst came to Nebraska after serving as Director of Athletics at Miami in 2011 and 2012. He hired legendary men's basketball coach Jim Larrañaga, who led Miami

to the NIT Second Round in his first season and ACC regular-season and tournament titles as well and the NCAA Sweet 16 in his second. The women's basketball program posted its highest national ranking in school history (No. 5) and advanced to the Second Round of the NCAA Tournament. The Miami women's tennis team advanced to the NCAA Elite Eight for the fourth straight season, and the baseball team made its 40th consecutive NCAA appearance. The Hurricane women's soccer team posted its first NCAA Tournament win in school history, and the volleyball team made its third straight NCAA Tournament trip.

Before heading to Miami, Eichorst was the Deputy Athletics Director at Wisconsin. He was the Chief Operating Officer and oversaw the department's daily operations, as well as the men's basketball program under the direction of Director of Athletics and former Husker Barry Alvarez.

From 2004 to 2006, Eichorst served as the Senior Associate Athletics Director for Administration at South Carolina, overseeing the department's daily operations, as well as the football and baseball programs under legendary coaches Lou Holtz, Steve Spurrier and Ray Tanner, respectively.

From 1999 to 2003, Eichorst served as the Director of Athletics at Wisconsin-Whitewater, which produced four top 10-percent finishes in the NACDA Directors Cup, one NCAA team title and two NCAA runner-up finishes. The program also featured 11 CoSIDA Academic All-America selections.

A native of Lone Rock, Wis., Eichorst was an all-conference defensive back, three-time letterwinner and 1990 football team captain for the University of Wisconsin-Whitewater. He graduated magna cum laude in business from UW-Whitewater in 1990 and in 2015 was awarded the Distinguished Alumni Award for Professional Achievement. He earned a law degree from Marquette Law School in 1995, practiced law in Milwaukee until 1999 and is a past member of the State Bar of Wisconsin Board of Governors. He served as an assistant adjunct professor of law at Marquette, where he taught classes in sports law. He serves on the Marquette University National Sports Law Institute Board of Advisors and in 2006, Marquette awarded Eichorst the Sports Law Alumnus of the Year Award. He is also a graduate of the Sports Management Institute and serves on its Executive Committee.

Shawn and his wife Kristin have three sons: Jack, Joseph and Bennett.

HANK M. BOUNDS, PH.D

UNIVERSITY OF NEBRASKA PRESIDENT
2ND YEAR
SOUTHERN MISSISSIPPI (1991)

On Jan. 12, 2015, the Board of Regents appointed lifelong educator Hank M. Bounds, Ph.D., as the seventh president of the University of Nebraska. Bounds began his tenure as president on April 13, 2015, bringing with him a demonstrated record of expanding opportunities for students, improving higher education outcomes and efficiencies, and building successful partnerships with policymakers, donors and business leaders.

Bounds grew up on a small farm in rural Mississippi, where his family raised hogs and cattle and he hauled hay. His service in the Army National Guard helped him pay for college, and he earned bachelor's and master's degrees from the University of Southern Mississippi and a doctorate from the University of Mississippi.

Bounds has devoted his 25-year career to helping change students' lives in the same way education opened doors in his own life. He began as a high school teacher, then rose to principal, superintendent and state superintendent before becoming Mississippi's commissioner of higher education in 2009. In that role, he oversaw a complex system of eight public universities including research universities, regional universities, an academic health science center, historically black institutions, a law center, a school of veterinary medicine and 200 institutes and centers. Together the system enrolled 85,000 students, employed 26,000 faculty and staff, and operated with a combined annual budget of \$4.5 billion, including \$500 million in research and development.

During every year of Bounds' tenure as commissioner, student enrollment and degrees awarded by the institutions in the Mississippi system increased, by a total of 13.3 percent and 11.4 percent, respectively. He advocated with legislative leadership for improved faculty compensation and providing greater opportunities for students. He also provided oversight for private fundraising in excess of \$250 million per year.

Bounds worked with the Board of Trustees to implement a performance-based allocation model that distributed funds equitably and rewarded universities for operating efficiently and achieving attainment outcomes. He designed an efficiencies plan that saved more than \$90 million, an internal audit function, and a comprehensive diversity initiative that led to increased diversity among Mississippi faculty, staff and students.

Bounds also worked with partners to increase educational attainment in Mississippi, including a Center for Education Innovation focused on improving learning opportunities for disadvantaged children. Bounds created an office to foster relationships among university researchers, business and industry, and economic developers. He was tapped by the business community to chair a major statewide initiative to create an action plan to improve Mississippi's competitive position.

Bounds brings this experience to the University of Nebraska, which he believes can serve as a catalyst for change and growth in the lives of students and people in the state and around the world. He is working to make the University of Nebraska a giant in higher education—for the benefit of the state, the country and the world.

Bounds holds faculty appointments in the College of Education and Human Sciences at the University of Nebraska-Lincoln and in the Colleges of Education at the University of Nebraska at Omaha and the University of Nebraska at Kearney. He and his wife, Susie, are the parents of a son, Will, and a daughter, Caroline. They reside in Lincoln, Nebraska.

UNIVERSITY OF NEBRASKA BOARD OF REGENTS

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at nebraska.edu/board/.

The board meets regularly, primarily in Lincoln but also in Omaha and greater Nebraska. Persons wishing to provide information to the board or to appear before it should contact: Corporation Secretary, University of Nebraska, Varner Hall, 3835 Holdrege, Lincoln, NE 68583.

2015 (JUNIOR)

Caroline Flynn led Nebraska with five goals during her junior campaign. Flynn, who started all 17 games, took 35 shots (16 on goal) over the course of the season. She scored her first goal on Aug. 28 to help NU to a 4-3 double-overtime win over Central Michigan. Flynn added a pair of goals during the Huskers' home stand against Penn State and Ohio State. In the sixth minute of the game against the Nittany Lions, Flynn scored NU's lone goal to give the Huskers an early 1-0 advantage. She scored in the seventh minute against Ohio State.

During the Oct. 23 match at Iowa, Flynn managed two goals to help NU to a 5-3 win. Her first score came in the second minute off an assist from Sydney Miramontez. Flynn's second goal against the Hawkeyes was in the 52nd minute off a Caroline Buelt assist.

2014 (SOPHOMORE)

Flynn scored four goals in 2014, good for third on the team, and added three assists. Flynn started all 19 games, averaging 74 minutes a game, and took 24 shots (11 on goal).

Flynn earned points in each of the first three games of the season for the Huskers, scoring against SMU and Butler, while adding an assist against DePaul. Her goal against the Mustangs came off a deflection from 20 yards away in the 22nd minute. Against the Bulldogs, Flynn notched the game-winner for the Big Red in the 83rd minute. She assisted Jaycie Johnson's score in the 89th minute against the Blue Demons.

Flynn scored in two of the last four games of the season, helping the Huskers to victories over Indiana and Iowa. Her goal against the Hoosiers in the 12th minute proved to be the game-winner, as she received a cross from Mayme Conroy. In the season finale against the Hawkeyes, Flynn headed in Samantha Aremen's corner kick in the 35th minute.

2013 (MEDICAL REDSHIRT)

Flynn participated in only four matches before suffering a season-ending knee injury at practice. She averaged 65 minutes per contest prior to her injury and added a pair of assists.

Flynn assisted freshman Jaycie Johnson's first career goal with a give-and-go pass in the season-opening 4-0 victory over Southeast Missouri at the Nebraska Soccer Field on Aug. 23.

In the second match of the year against Cincinnati on Aug. 25, Flynn made a through ball pass for her second assist of the year in the 54th minute as Stacy Bartels scored from 12 yards out in the Huskers' 4-1 win.

2012 (FRESHMAN)

Flynn stepped right into the Husker lineup as a true freshman, as she started all 18 games she played. She missed two of Nebraska's 20 games on the year with injury.

Flynn made her debut in the season opener at Oklahoma, where she fired three shots, all on goal, but was unable to find the back of the net. She produced four shots in Nebraska's home opener against Drake, the first of four times on the year she notched four shots in a game.

Flynn scored her first career goal in a 1-1 double-overtime tie with Northern Colorado on Sept. 16. The Huskers outshot the Bears, 30-13, on the day, but were unable to break the 1-1 tie.

Flynn notched her first career assist in the regular-season finale against Minnesota at the Nebraska Soccer Field on Oct. 26. She helped Mayme Conroy score her 13th goal of the season at 76:18. Conroy tied the game, 2-2, less than 10 minutes later.

HIGH SCHOOL

Flynn chose to forego her senior season at Lincoln Southwest High School and instead joined the Huskers before the start of the spring semester.

Flynn was the Huskers' lone signee in the 2012 class from Lincoln and played at Southwest with former Husker Bri Badje.

Flynn played at Southwest during her freshman and sophomore seasons before playing her junior year at Normal Community High School in Normal, Ill. She then returned to Southwest for her senior year.

2016 BIG TEN TOURNAMENT

The Big Ten Tournament returned with Nebraska's first season in the conference in 2011. The Big Ten did not hold a tournament in 2009 or 2010.

The format of the tournament was revised in 2015 with the top-four seeded teams in the conference at the end of the regular season hosting the Big Ten quarterfinals on Sunday, Oct. 30. The top-seeded team remaining in the tournament will then play host to the semifinals on Nov. 4 and the championship finals on Nov. 6. The championship field will be determined following the conclusion of regular-season play.

Starting in 1994, host-school Wisconsin won the first conference tournament with a 3-0 win over Minnesota, while the Badgers added tournament titles in 2005 and 2014. Nine programs overall have won a Big Ten Tournament title, including five teams that have won multiple crowns. Penn State is the only school with more than three tournament titles, as the Nittany Lions have won six crowns (1998, 2000, 2001, 2006, 2008, 2015).

Nebraska won its first Big Ten Tournament title with a 1-0 victory over Iowa in Champaign, Ill. It followed the Huskers' first Big Ten regular-season crown in 2013.

As a member of the Big 12 Conference, Nebraska enjoyed tremendous success at the league tournament, capturing five titles and producing an 18-9 all-time record. Nebraska's five Big 12 titles came in 1996, 1998, 1999, 2000 and 2002. The Huskers also claimed regular-season crowns in 1996, 1999 and 2000.

NSCAA All-Americans

Although the Nebraska soccer program is still young compared with the other powers in women's collegiate soccer, the Huskers have already earned 18 All-America awards from the National Soccer Coaches Association of America in the past 22 seasons.

Midfielder Kari Uppinghouse became Nebraska's first first-team All-American in 1996. Uppinghouse provided a dominant physical presence in the midfield while leading the Huskers to their first NCAA Tournament and a 23-game winning streak as a junior in 1996. Two other Huskers, Lindsay Eddleman – who became Nebraska's first freshman to earn All-America honors – and goalkeeper Rebecca Hornbacher, joined Uppinghouse as All-Americans in 1996.

In 1998, three Huskers earned All-America honors, including Sharolta Nonen, who became the first Nebraska player to become a two-time All-American. Isabelle Morneau and Kim Engesser also added the first honors of their careers.

In 1999, Morneau claimed her second straight second-team NSCAA award, while Nonen became the first Husker to be a three-time All-American.

Jenny Benson earned first-team All-America honors as a senior defender in 2000, after moving from the midfield in the spring. Midfielder Meghan Anderson also earned first-team honors, while forward Christine Latham, the Big 12 Player of the Year, nabbed second-team honors.

Latham scored a conference-high 46 points on 18 goals and 10 assists to earn third-team honors in 2001. She was also named to the third team in 2002, after scoring 35 points on 16 goals and three assists.

Brittany Timko earned third-team All-America honors in 2004 and 2005. A three-time Big 12 Player of the Year, Timko finished the 2004 season with 15 goals, 13 assists and 43 points. In 2005, Timko set a Big 12-record with 21 assists and added 11 goals for a total of 43 points for the second consecutive season.

In 2010, Morgan Marlborough earned second-team honors after an 18-goal, 12-assist campaign. The two-time Big 12 Offensive Player of the Year ranked second nationally with 48 points. In 2013, Ari Romero became Nebraska's most recent All-American, earning second-team accolades as she led the back line to eight shutouts while powering Nebraska to Big Ten regular-season and tournament titles.

BEYOND NEBRASKA

Huskers in the World Cup

Beginning in 1991, the best women's soccer players in the world have battled for the Women's World Cup every four years in front of hundreds of thousands of soccer fans in stadiums across the globe.

Canada is one of 16 teams that qualified for World Cup competition in 1999, 2003, 2007, 2011 and 2015 thanks in large part to former Huskers filling the Canadian roster.

Husker Head Coach John Walker made his debut with the Canadian World Cup team as an assistant coach in 1999. He was joined on that team by five of his former NU athletes.

In 2003, seven former and future Huskers made the 20-player roster. The Husker-heavy squad played to the semifinal match, where it was defeated by Sweden, putting it up against the United States in the consolation finals where it lost 3-1. Four Huskers earned roster spots in 2007, while Karina LeBlanc and Brittany Timko returned to the squad in 2011. LeBlanc made her final appearance on the grand stage at the 2015 World Cup in Canada before announcing her retirement. Joining her on the 2015 Canadian squad for the first time was Selenia Iacchelli, a national team member since 2013.

In addition to the rich Husker history rooted in Canadian soil, former defender Ari Romero earned her place on Mexico's World Cup roster for 2015, becoming the first Husker to represent a country other than Canada.

In all, 11 former Huskers have played on women's soccer's grandest stage in the Women's World Cup.

2015 Women's World Cup

Former Huskers Karina LeBlanc and Selenia Iacchelli saw action on the pitch as Canada played in the Group A squad with the Republic of China, New Zealand and the Netherlands. The 2015 World Cup marked LeBlanc's fifth consecutive appearance as a part of the Canadian National Team, while Iacchelli made strides in her first World Cup showing. Ari Romero played as a key member of the Mexican National Team's defense, leading Mexico in games against France, England and Colombia in the Group F division. In addition to the former Husker players, ex-Husker star Christine Latham returned to the games as a color analyst for Fox Sports Canada.

2011 Women's World Cup

Brittany Timko and Karina LeBlanc returned to the 2011 World Cup as part of Canada's National Team. The Canadians were put in Group A with France, Nigeria and host-team, Germany. Canada opened with a 2-1 loss to Germany and was then shut out by France, 4-0. The team's final match with Nigeria was scoreless until the 73rd minute when Perpetua Nkwocha scored the only goal of the game to give Nigeria a 1-0 win.

2007 Women's World Cup

Four former NU greats made repeat appearances on the 2007 Canadian National Team. Tanya Dennis saw the most game action, as she appeared in three matches, while Brittany Timko and Amy Walsh each played in one game. Karina LeBlanc rounded out the Huskers to make the squad. Canada failed to advance past pool play, losing 2-1 to Norway to open the World Cup, before rebounding with a 4-0 win over Ghana. Canada scored just 37 seconds into its third match, but Australia rebounded to tie the game at two. The tie provided Australia the one point it needed to advance into the quarterfinals and edge out Canada.

2003 Women's World Cup

Former Huskers Brittany Timko, Tanya Dennis and Sasha Andrews all saw action on the pitch for Canada in its fourth-place finish in the 2003 FIFA Women's World Cup, the Canadian's best finish in history.

Timko played all 540 minutes in six contests of the World Cup and notched one assist in the tournament. Dennis played 450 minutes in the back in the first five games before suffering a concussion.

Former Husker All-American Christine Latham was responsible for three of Canada's 10 goals during the tournament, including two goals in a 3-0 win over Argentina.

Making repeat appearances on the Canada World Cup squad in 2003 were All-America defenders Sharolta Nonen and Isabelle Morneau, and All-America goalkeeper Karina LeBlanc. All-American Breanna Boyd made the original roster, but did not compete because of an injury.

1999 Women's World Cup

All-America defenders Sharolta Nonen and Isabelle Morneau, All-Big 12 midfielder Amy Walsh and All-Big 12 defender Tanya Franck earned spots in Canada's starting lineup, while All-American Karina LeBlanc played a key role as a reserve on a talented Canadian squad. In addition to the Huskers on the field, Nebraska Head Coach John Walker represented the Huskers on the sideline as an assistant coach with the Canadian National Team.

Huskers in the Pros

With stellar collegiate careers behind them, several Huskers chose to continue their playing days at the professional level. Eleven former Nebraska soccer players were drafted into the Women's United Soccer Association (WUSA), an eight-team league that ran from 2000 to 2003, while six former Huskers play in Women's Professional Soccer (WPS), a seven-team league that started in the spring of 2009. NU is one of six schools to have at least two former players drafted in the WPS, and only seven programs have more players in the league.

COMPLIANCE GUIDELINES FOR FANS

The University of Nebraska Athletic Department takes great pride in abiding by the National Collegiate Athletic Association (NCAA) and the Big Ten Conference rules and guidelines that govern Division I competition. For the benefit of the many alumni, fans and booster club members who are so active in supporting and assisting the Huskers throughout the year, we would like to remind everyone of a few definitions and rules that apply to all athletic representatives and boosters.

NCAA PRINCIPLES

Institutional Control

It is the responsibility of the University of Nebraska to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA.

Responsibility

The University of Nebraska's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual, booster or organization engaged in activities promoting the athletic interests of the institution.

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

Questions and Answers for Fans, Boosters, Alumni and Representatives of Athletic Interests

DEFINITIONS

Q: What is a booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.

REPRESENTATIVE OF ATHLETIC INTERESTS (I.E., BOOSTERS), NCAA BYLAW 13

Q: What is a Prospective Student-Athlete?

A: A prospective student-athlete is a student who has started classes for the ninth grade or above, including students in prep schools and junior colleges as well as students who have officially withdrawn from a four-year institution and plan to transfer to another institution. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution or a Nebraska booster provides the individual or the individual's relatives or friends with any financial assistance or benefits that the institution does not provide to prospective students in general. A good rule of thumb is to treat ALL STUDENTS as prospects.

Q: What is a Student-Athlete?

A: A student-athlete is a student whose enrollment was solicited by a member of the Nebraska athletic staff or other representative of athletic interests with a view toward the student's ultimate participation in the intercollegiate athletic program.

Q: What is a contact?

A: Contact is ANY face-to-face encounter between a prospect, or the prospect's parent or legal guardian, and a Nebraska staff member or athletic representative during which any dialogue occurs.

Q: What is recruiting?

A: Recruiting is any solicitation of a prospect or a prospect's family member (or guardian) by an institutional staff member or by athletic representative of the institution, for the purpose of securing the prospect's enrollment and ultimate participation in Nebraska's intercollegiate athletic program.

GUIDELINES

Q: What is a Booster?

A: Someone who belongs to a University of Nebraska athletic booster club;

promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.

REPRESENTATIVE OF ATHLETIC INTERESTS (I.E., BOOSTERS), NCAA BYLAW 13

Q: What constitutes impermissible contact by a Booster?

A: Phone calls to prospects (9th to 12th grade) and their relatives placed for recruiting purposes (questions about the athletic program at UNL must be directed to the coach); writing, paging, text messages or instant messages to a prospect to encourage UNL attendance; contact with a prospect at a high school or club contest; contact with a prospect or his/her coach, principal, or counselor to evaluate the prospect; visiting the prospect's educational institution to pick up videotape or transcripts for evaluation purposes; contacting a prospect to congratulate him/her for signing a National Letter of Intent to attend UNL; giving anything of value to a prospect to induce him/her to attend UNL; contact of any kind while the prospect is on the UNL campus for an official or unofficial visit.

RECRUITING CONTACTS, NCAA BYLAW 13

Q: What are the rules of employment for a student-athlete?

A: A student-athlete may be employed during the academic year or summer vacation period; receive compensation equal to the going rate for similar services in the locale; receive compensation only for work performed; receive benefits provided to all other employees; teach sport-related individual skill instruction or fee-for-lesson sessions. A student-athlete may not conduct personal sport camps or promote, market, advertise or endorse a commercial business or product.

Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan.

EMPLOYMENT, NCAA BYLAW 12

Q: What are non-permissible benefits?

A: Free or reduced-fee housing/rent including the use of vacation or seasonal homes; free or reduced-fee meals; loans or cash advances in pay or salary; tuition costs or school supply expenses; gifts or presents of any type regardless of the occasion or purpose; use of telephone for long distance or use of telephone cards and cell phones; free use of any motor vehicle, boat or recreational vehicle; free use of services (i.e., automobile repair, hair care, laundry, copying, faxing, etc.); free or reduced-fee memberships at golf courses, health clubs, etc. (This list is not exhaustive. Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan.)

BENEFITS AND PREFERENTIAL TREATMENT, NCAA BYLAW 16

Q: What type of promotional activities may the student-athlete be permitted to participate?

A: Charitable, educational or non-profit promotions and events with requested approval from the Athletic Compliance Office prior to the event.

Q: What types of promotional activities are not permissible?

A: Any fundraising activity that supports a high school organization or group that assists prospective-aged students; use of his/her name or picture; or appear to promote or market a commercial business or product.

BIG TEN CONFERENCE

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back 120 years to the Palmer House hotel in Chicago, where on Jan. 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On Feb. 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last two years. Big Ten schools compete in a total of 42 sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. It is the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of five men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971 and current commissioner James E. Delany in 1989.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly known as the Committee on Institutional Cooperation) in 1958. The BTAA was formed as an academic consortium of all Big Ten universities and founding conference member Chicago. In 2013, the 15 schools currently constituting the BTAA produced over \$10 billion in funded research, \$4 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

James E. Delany
Commissioner

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Commissioner Delany announced the creation of the first conference-owned television network, a 20-year agreement with Fox Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 1,000 events across all platforms each year. BTN is in more than 60 million homes in the U.S. and Canada via the nation's major cable, satellite and telco providers and more than 300 additional cable operators across the country. BTN2Go is the digital extension of BTN, delivering live and on-demand programming to computers, smartphones and tablets and also is accessible outside the U.S., Canada and the Caribbean via BTN2Go International.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten Conference on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

In the fall of 2013, the Big Ten opened a new conference headquarters and meeting center in Rosemont, Ill. The newly constructed building is located 10 minutes from O'Hare Airport and has been designed to fully service the needs of more than 350 meetings annually for Big Ten and BTAA related committees and coaches groups. The new headquarters also features an interactive digital museum - the Big Ten Experience - which opened to the public on June 7, 2014, and brings the conference's storied academic and athletic history to life. For more information on the Big Ten Experience, go to bigten.org.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Three Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Delany and his staff work to meet the educational needs of students competing in intercollegiate athletics to allow them to excel in all areas of their lives. The conference office manages 28 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of nearly 1,400 events annually, provides staff services to coaching and administrative personnel and services media and fans interest for information on the Big Ten Conference.

More than 120 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.
